

Versace Corails Seas Print Jeans

450

REF: 5088

DESCRIPTION

The Versace Corails Seas Print Jeans is the result of the collaboration between the Brazilian fashion store Riachuelo and Italian fashion giant VERSACE.

The Versace for Riachuelo collection was influenced by Gianni Versace's earlier designs, and has been designed for the Spring 2015 season.

The denim pants has two mini fake pockets on the front and two regular pocket on the back, all of them embellished with golden metallic starfish.

107 Rue Réaumur, 75002 Paris

20 rue Danielle Casanova

While top of the pants is violet the rest is white and printed with seaside elements

100% cotton
