DESCRIPTION

Black Prada wallet

Very good condition, some wear apparent with time, but very light.

Very nice black wallet in smooth leather that can be carried in a bag, but also used alone as a clutch. Small strap to put under the wrist.

Rectangular shape, the leather is pleated which makes the piece even more original. Black colour, very easy to match with your daytime outfit.

The emblem, emblematic of the house, is visible on the front of the bag, but remains discreet.
